Eastfield EBay:

We thought we would try something new for the upcoming newsletters. Eastfield EBay.... What this is about is giving Eastfield members a chance to sell any items – not just bikes and bike related items to other members and their family and friends. Once things are set up you will be able to email a small picture and sale information to us and we will put it in the newsletter. It will also be up to you to let us know when the items have been sold so they can be removed from the newsletters.

Please note that neither Eastfield BMX Club nor any of its committee and or members takes responsibility for any item sold or purchased through this newsletter. So keep a look out for more details as they are set up..
